# Four Decades of Catering Excellence

Since being founded in 1981 as the catering arm of Saudi Arabian Airlines, CATRION has been on an amazing journey to establish an organization and reputation that is recognized as a CATRION innovator and leader for the Kingdom.

Always seeking new ways to support and satisfy our clients and consumers and support the goals of Saudi Vision 2030, CATRION has continuously grown and diversified over the years, transforming into a more efficient organization, and expanding into complementary business areas.

Over the last 40 years, CATRION has served millions of customers on Saudia and airline partners, as well as through our lounges, trains, events, restaurants, hotels, camps and more!

# Key Risk, Strategy and Outlook

# Growth Drivers

## International Flight

Increase in International Flights by 8% and Passenger Numbers by 14%

In Q2-2025, international flight counts have risen compared to Q2-2024. This increase is mainly attributed to Summer Vacation and Hajj season.

## Domestic Flight

Domestic Air flights increased by 8% in Q2-2025 vs Q2-2024

The increase in domestic flight numbers reflects the cultural patterns to the Hajj season and summer activities across Saudi Arabia, where internal mobility typically increased

## International Air Travel

International air travel is experiencing a noteworthy uptrend in passenger volumes, following KSA vision of 2030 Tourism development, eVisa System and Tourist Attractions.

## Saudi Economy

Saudi Arabia's economic transformation is dependent on strategic initiatives and long-term investments. The country has demonstrated its massive commitment to its investment agenda. This momentum is expected to remain strong and unhindered despite the recent economic challenges that the world faces today.
